MERCURY ENGINE OFFERING

F115 - F115 CT - F150

UNCOMPROMISED SECURITY ON BOARD

- Good cockpit depth for a secure feeling on board, even with young passengers thanks to the high freeboards
- Easy access to the water via the stern side of the boat in 3 steps over the transom
- Safe access to bow via wide steps that do not compromise the access to the cabin area
- Convenient placed handgrips throughout the boat ensure stability and help you to get on and off the boat easily

COMFORTABLE CABIN

- A double berth with lighting allows you and your family to relax and rest
- The cabin area is easily accessible without compromising the access to the foredeck area
- The large foredeck hatch provides good ventilation, plenty of light in the cabin
- The storage solutions below the cushions to help keep everything neat and tidy

INTELLIGENT STORAGE SOLUTIONS

- 1.- The fully enclosed canvas packs neatly away underneath the top step at the rear of the boat thanks to its integrated canvas storage system which also provides dedicated storage space for the navigation lights
- 2.3.4.5- A total of 4 storage compartments underneath the steps over the transom area to store the anchor, mooring equipment such as fender and ropes. The swim ladder is also integrated underneath the steps
- 6.- Integrated storage for the optional 12v cool box and cockpit table below the deck
- 7.- Underneath the rear seats you will find storage for the ski mast and ample of space to store away water ski equipment and accessories

CONVIVIAL COCKPIT

- A spacious cockpit offers you flexibility and comfort on your day trips
- The cocktail dining table is large enough for 5 persons and which simply packs away when required to leave space to stretch out in the sun
- Swivel bolster seats for pilot and co-pilot create a true convivial atmosphere to dine and socialize with the other passengers
- The 12v cool box assures chilled food and drinks are always on hand even on the longest, warmest days

FEATURES & BENEFITS
