The days you had to choose between comfort and performance, between fishing and cruising are gone. With the 905 Pilothouse you can have both. Designed without compromise for fishing, adventure & fun, and all in perfect safety and comfort. The 905 Pilothouse is suited for offshore cruising (category B) and carries up to 10 people.

SAFETY

- Suitable to navigate both offshore and inshore (category B)
- Safety is ensured by the high freeboards and convenient positioned grab rails
- The high-spec electronic pack, which includes a GPS for precise navigation, and a VHF for secure communication
- Single or twin Mercury engine configuration with up to 500 hp ensure safe and agile handling in a variety of weather and sea conditions
- Safe on-board circulation with both port and starboard bow to stern access and safe side to side passage in the transom area on the transom bridge

UNCOMPROMISED FISHING

- Comprehensive fish station featuring a sink, cutting board, cold water wash, twin individual flip seats and rod holders
- Fish Pack upgrade adds a livewell, raw water wash-down, extra rod holders and in-cabin safe rod storage and additional stainless steel rod holders
- Fish station slides back at the touch of the button to maximize cockpit area and integrated fish lockers in the cockpit floor offer a good solution for packing away the catch
- The optional second helm allows for precision navigation and control while fishing

EXCELLENT CRUISING COMFORT

- Ample seating possibility in cockpit and bow area
- Fully featured galley includes a sink, LPG stove and optional micro-wave, fridge
- Accommodation for 6 with a full size forward berth for 2, a full size mid-berth for 2 and a convertible solution for single or dual accommodation in the main cabin.
- Opening port lights and skylight throughout for ventilation and natural daylight
- Heating and/or air conditioning system for a maximum of comfort all year long
- Separate head with enclosed toilet and pull-out shower
- Exterior lighting in cockpit for night-time operation
