QUICKSILVER® ACTIV

605 SUNDECK

The Activ 605 Sundeck easily lives up to its name. Take to the water for unadulterated fun in the sun for up to seven people. It strikes the perfect balance between sun lounge size and cabin comfort with spacious sundeck and a good cabin height. Unobstructed access from the ample swimming platform via the pivoting backrest gives it best in category for access from water to cockpit.

Safety

- Getting in and out of the water is easy with strategically placed handrails and ladder.
- Large swimming platform for safe and easy access in and out of the water.
- High freeboard and a non-skid surface provide added peace of mind, especially with children on-board.
- Safe access to the sun lounge via side console stairs
- Mercury ensures sporty and reliable handling with up to 150 hp
