

A new generation of Pilothouse models has arrived, tailored to the discerning angler. The curved hull portrays an aesthetically pleasing, sportier design. Centered around the sport you love, the 805 Pilothouse has features focused on a superior on-water experience such as an oxygenated fish locker to keep your bait fresh and your catch fresher. Reach your fishing spot faster with Mercury single and twin-engine options up to 350hp, and up to 9 people aboard. And for a premium experience, an Explorer version elevates your time on the water with more style and deluxe fishing features.
